## Church Family:

*Dear Congregation,*

*I want to thank you, for your prayers, cards and phone calls. Above all, to my God and Savior, for hearing our prayers for healing.*

*I am in remission and am on the road of getting my strength back.*

*I also owe my 6 nephews and nieces a big Thank You! for their support and for the work they did for me, and are still doing.*

*Thank you all. **Alice de K.***

**Congratulations:** We give thanks to the Lord with **Jesse** and **Alicia A.** at the birth of a daughter **Chloe**; a sister to **Zephora**. May the Lord bless this family as they worship and serve the Lord with us here at Calvary.

Let's continue to be mindful of each other and remember to pray for each other.

May God be gracious to all who ask him for help and strength.

## Summer Sunday School/Nursery

Unfortunately, due to limited volunteers available, we have decided to cancel Sunday school for the summer months. We will still have nursery available and have decided to extend the age to include children up to 5 years old. We thank everyone who has already reached out to us and offered to help with this. We are still looking for a few more volunteers for August. If you are available to help in the nursery for a Sunday in August, please let **Lisa** or **Dani** know as soon as possible. Thank you for your understanding in this matter.

## Pastor Search Process:

## July 17 - World Renew – Clean Water Sunday

Clean water is essential to good health, but for 2.4 billion people globally clean water is only a dream. When you give to World Renew, you can help make that dream a reality. We help communities establish safe, consistent water sources and teach families proper sanitation and hygiene practices.

Water is, of course, essential for health. But what if the only water you had access to was dirty—including parasites and diseases? For one-third of the global population, clean water is a dream that remains out of reach. But you can help change that reality today. You can help provide clean water for families and demonstrate the tangible, hands-on love of Jesus by helping to prevent the spread of contagious diseases. Looking to learn more? Check out their website at <https://worldrenew.net/cleanwater>

**July 24 - Ottawa Innercity Ministries (OIM):** We are a community working towards building a just society where people are valued, shown dignity and respect and are given opportunity to attain a higher quality of life. We are called to come alongside people experiencing poverty and homelessness, demonstrate the message of Christ in deed and word, show compassion, build self-esteem and empower individuals through a strength-based approach. Over the years, OIM has grown from a strictly 'charity' model of outreach to one focused on building a supportive community that encourages individuals to move onto the next level of development through a strength-based approach.

Each of our services and programs serve this purpose, beginning with street outreach and our drop-in services – where we offer emergency provisions, build relationships and offer support where individuals are encouraged to build on their strengths and move towards greater autonomy and self-sufficiency.

Our goal is to demonstrate to the members of our community that every person has intrinsic value and has inner strengths, skills and talents that offer individuals hope for change.

Join our Groundwork conversation as we study Jonah 3 to better understand how much God cares and to discover the courage to never give up on someone or let our bias hinder our message as we continue to do God's work and follow God's call in the world today.
