**Call to Worship*

In Christ, the God of heaven has made his home on earth.

Christ dwells among us and is one with us.

Highest of all creation, he lives among the least.

He journeys with the rejected and welcomes the weary.

Come now, all who thirst,
and drink the water of life.

Come now, all who hunger,
and be filled with good things.

Come now, all who seek,
and be warmed by the fire of love.

**God's Greeting:*

Our Lord has called us to worship and now greets us.

May the grace of the Lord Jesus Christ,
 and the love of God,

and the fellowship of the Holy Spirit be with you all. —2 Corinthians 13:13, NIV

OUR OFFERINGS:

TODAY - Ministry Shares.

Instead of setting a specific amount per member, each congregation will prayerfully consider how much it can contribute towards our shared ministry efforts. *Ministry shares* are an amazingly efficient and stewardly way for us to accomplish ministry together. Over the years, as Synod decided to start new programs, we've used ministry shares as a way of enabling all of our congregations to contribute towards the costs. In this way, every initiative is truly part of our shared ministry.

What happens if my church doesn't give?

Currently, churches are contributing less than 60% of the requested amount for ministry. This means fewer funds are available for: • Supporting new church plants • Producing new resources for children's ministry • Training new pastors and supporting those already in ministry • Resourcing chaplains as they serve populations in crisis • Producing resources to revitalize worship in congregations • Equipping churches in abuse prevention, disability awareness, and racial reconciliation • Sharing the gospel in new ministry fields. With the new system, proposed by Synod 2019, ministry budgets will be set based on what is pledged from churches. If this amount is less than what is currently received, important ministry will need to be cut.
