Call to Confession

Prayer of Confession

Lord, you said, "If you love me, you will obey what I command."

Forgive us our lukewarm love and our disobedience.

Lord, you said, "You may ask for anything in my name."

Forgive us when we think we need to solve our own problems.

Lord, you said, "Do not let your hearts be troubled and do not be afraid."

We confess that our lives are often consumed by worry and anxiety.

Lord, you said, "If you remain in me and I in you, you will bear much fruit."

Forgive us our unfruitful lives, Lord.

Lord, you said, "You must testify for you have been with me."

We confess, Lord, that we have been too often silent.

Lord, you said, "Love each other as I have loved you."

In this and in so many other ways, we confess our failures and shortcomings. Amen.

Singing: I Need Thee Every Hour

LUYH 322

Assurance of Pardon

For God so loved the world that he gave his one and only Son,
so that whoever believes in him shall not perish but have eternal life.
For God did not send his Son into the world to condemn the world,
but to save the world through him.

- John 3:16-17

will remain with you always. **Amen.**

Impacts of Synod '24 decision on your congregation: According to the Acts of Synod, and the Q+A that was sent from the CRC office, Synod made several major decisions. These are having and undoubtedly will have profound impacts on your congregation's ministry, as well as that of other churches in your classis. Already, churches are experiencing concerns in recruiting office bearers; concerns in young persons' decisions to profess their faith, concerns about recruiting church visitors, concerns about funding local congregational and classical ministries. These are Synodical decisions that are impacting the day-to-day functioning and hopes of congregations.

Towards a CRC in Canada <https://www.towardcrrcanada.net/> invites you to a zoom conversation (late October/early November) about these concerns: how do and will these decisions impact us locally? We believe that an honest conversation is vital. There is no real "status quo". More information is forthcoming. Thank you very much,

Peter Bulthuis
